

Penmanship Club:

Come have fun that works on the shape, spacing and placement of letters. We use engaging activities to help your child's muscle memory for writing, and will be working with fine motor activities to develop their grasp.

Chalk, Play-Doh, Oobleck, Games, curved pieces of wood, metal spoons, music, art and movement are fun ways to get the child's fingers to move correctly for writing.

Club Cost: \$90

1x a week for 12 weeks

8am Tuesdays (9/11 - 11/26)

3932 J F K Parkway FC 80525

We will monitor if your child is struggling to write due to:

- an underlying perceptual difficulty
- co-ordination challenges
- dyslexia
- unrefined fine motor skills

and may need a different approach, extra sessions or more individual type work. We will talk to you if we are seeing this as a barrier to success

Refund Policy: No refunds after the 1st day of class

Childs Name: _____ grade: _____
